## Join the Toyota Enthusiasts Club!

The Club was formed in 1991 with the primary aim to keep older Toyota and subsequently Lexus cars on the road and increase the pleasure of running one by keeping in contact with other owners. The Club caters primarily for older cars although membership is open to owners of cars of any age.

The Club attends Classic Car shows, produces a quarterly magazine (TEC Topics) and provides technical advice. We also help in locating cheaper parts, both brand new and used.

There is also a Classic Car Insurance Scheme available to Club members only.

Most members enjoy the Club's activities and many have quickly saved the cost of the annual subscription by finding cheap spares or being able to do their own repairs with advice from other Club members.
